

Transfer Evaluation

Bachelor of Science, Software Development

Name: Whitney Ann Blodgett

Student ID: 000596163

Anticipated Start Date: 2017-01-01

A transcript evaluation is completed once official transcripts from all previously attended institutions have been received by WGU. Please note that transcripts must be sent to WGU directly from the issuing institution to be considered official. WGU does not perform unofficial evaluations or accept unofficial transcripts. Transfer credit awarded for the Business, Information Technology, or Health Professions College programs may not apply if a program change is made to the WGU Teacher's College. Transfer credit will not be awarded for transcripts received after your first term start date.

COURSES ACCEPTED FOR TRANSFER CREDIT:

- Must be college level from an institution that is recognized as Nationally or Regionally> accredited by the U.S. Department of Education. For a list of USDE recognized National and Regional accrediting agencies, see: <http://www.ope.ed.gov/accreditation/Agencies.aspx>
- Must have been awarded a grade of C- or better. For Teacher's College Programs and Pre-Licensure Nursing programs a grade of C or better is required.
- Must have been completed within five years of start date (College of Information Technology and select IT courses). This five year requirement applies to all information technology courses, certificates and degrees.
- May not be used to fulfill more than one course of study.
- Must meet the competency unit and content equivalency requirements.

COURSES SATISFIED BY AN ASSOCIATE OR BACHELOR'S DEGREE:

- Where transfer credit does not apply, courses may receive a Requirement Satisfied (RS).
- Courses that receive a Requirement Satisfied can be fulfilled by an Associate of Arts, Associate of Science, Associate of Applied Science, Bachelor of Arts, or Bachelor of Science from a Regionally or Nationally accredited institution. (Accrediting agency recognized by The U.S. Department of Education)
- In certain cases, the degree must be in a specific field of study.
- Requirement Satisfied by degree does not apply to all courses or programs at WGU. A change in majors at WGU may result in the removal of credit.
- Degrees in Information Technology must have been awarded within five years of start date to satisfy Information Technology transfer requirements.

Only the courses listed below are those that are eligible for transfer; see your specific program guidebook for a complete listing of your degree requirements. For questions regarding your transfer evaluation or on how to request a re-evaluation, please contact your enrollment counselor.
